W.P.No.7191 of 2006

**Oral Order:**

This writ petition is being filed questioning the voters' list prepared by the person in charge of the society as arbitrary, illegal and to stay the consequential election notification based on such prepared list.

It is well settled that once the election process commenced, the same cannot be thwarted in exercise of jurisdiction under Article 226 of the Constitution and allegation that there was improper reception and inclusion of the members, the proper remedy of the petitioner, if any, wait till the elections are completed and challenge the election of the Managing Committee based upon the said voters' list before the appropriate forum constituted to resolve the election disputes.

In view of the same, petitioner, if aggrieved by the improper reception of the members in the voters list, can question the same in election petition.

Writ Petition is accordingly dismissed. No costs.
